

CABLE-DR

## MX2001 Direct Read Cable

This direct read cable provides the connection between the MX2001 logger's top-end unit and water level sensor.

### Important Information

For custom cable lengths, please call our sales team at 508-759-9500 for assistance.

## Features

- Kevlar reinforced cable suspends sensor, and provides sensor communication and power
- Two o-rings in each connector ensure a long-term waterproof seal
- Cables are easy to attach or change
- Integrated strain relief provides support for long cables
