

HOBOWare® Software

Powerful tools to enhance your analysis for stand-alone data loggers

Designed to work with USB and optic-offloading data loggers, HOBOWare® simplifies setup and enhances your data analysis with powerful tools for easy setup, graphing, and analysis of our stand-alone products. Download HOBOWare for free, or upgrade to HOBOWare Pro for even more advanced data analysis and logger management tools. You can purchase a HOBOWare Pro license at any time. (Note: A USB-A to USB-B mini cable for external sensors is included when you purchase HOBOWare Pro software. You will need to purchase a USB cable if you download our free HOBOWare software).

Item number BHW-PRO-CD has been discontinued. Call for availability.

Features

Save Time Fast and easy logger setup with time-saving tools Powerful Visualizations Plot, analyze, and extract key data with a few simple clicks Enhance Your Data Pro Version: Data Assistants quickly post-process data into advanced calculations Download Store and share data with exports to Excel and text format Additional HOBOWare® Features

- Simple menus for fast, easy logger setup and readout
- Point & click for fast setup and readout
- Scaling to real-world engineering units
- Presentation-quality graphs
- Easy export of data files to text or Excel format
- Free download
- Multi-language support (English/Spanish/French/German/Polish/Portuguese/Japanese/Korean/Simplified Chinese/Traditional Chinese)

HOBOWare® Pro Version: Upgrade to HOBOWare® Pro for intuitive, powerful software tools that further enhance your data logging— from set-up to analysis.

- Time-saving tools for fast setup & readout
- Advanced plotting tools for more precise data analysis
- Access to Data Assistants for post-processing data

System Requirements

- HOBOWare is not certified to run on Enterprise versions of any version of Windows and is not certified to run on Server versions of Windows. It is certified to run on Windows 10 (Home, Pro), Windows 11 (Home, Pro).
- HOBOWare is certified to run on macOS Versions 10.15 (Catalina), 11.0 (Big Sur), 12.0 (Monterey).
- HOBOWare no longer needs a Java Runtime Environment on your computer. We include the JRE in HOBOWare itself.

Feature Comparison

HOBOWare Features Comparison

	<u>HOBOWare</u>	<u>HOBOWare Pro</u>
Support for all HOBOWare data loggers*	Yes	Yes
Quickly generate presentation-quality graphs	Yes	Yes
Copy & paste series	Yes	Yes
Merge data files	Yes	Yes
Save modified graphs as projects	Yes	Yes
Easy data export to XLS, CSV & TXT files	Yes	Yes
Linear & pulse scaling data assistants	Yes	Yes

	<u>HOBOWare</u>	<u>HOBOWare Pro</u>
Multi-Language Support (English / Spanish / French / German / Polish / Portuguese / Japanese / Korean / Simplified Chinese / Traditional Chinese)	Yes	Yes
Time-saving tools for fast setup, readout & export	No	Yes
Data Assistants for Dissolved Oxygen, Conductivity, Water Level, Growing Degree Days, Grains per Pound & kWh	No	Yes
Ability to create Pie Charts	No	Yes
Crop a series to a specific time frame	No	Yes
Subset Statistics Tool for details within a time frame	No	Yes
21 CFR Part 11 Compliance**	No	Yes
Data Shuttle support	No	Yes
HOBOnode Manager to support ZW Data Nodes***	No	Yes
	<u>Free Download</u>	<u>Buy Now</u>

*CX, MX, and other Bluetooth loggers require iOS or Android mobile devices and HOBOnode, HOBOnode, or InTemp software, available free from the Android or Apple app stores. Certain loggers (U20s, U24s, U26s) require data assistants (only available in HOBOWare Pro) to provide the most accurate data
